Special thanks to Nick Borchers, Deb Mikulski, Odette Hankins, Kim Paduano, Jodi Prosser, Kelly Marcelletti, and Melanie Murphy, who participated in the February and/or March meetings!

Annual St. Patrick's Day Show A Fab (Four) Success

Approximately 400 people enjoyed the 49th annual St. Patrick's Day Show, which was held on March 12th in the school gym. The "Salute to The Beatles" was a rousing success, starting with a great performance by the school band. Each class performed a classic hit from the legendary group, with clever skits by members of the eighth grade class between musical numbers.

The eighth grade class performs "Can't Buy Me Love".

Other highlights of the evening included the heartfelt pre-K version of "All You Need is Love", the blue light and white glove special effects for the fourth grade's "Here Comes The Sun", and the eighth grade girls' poignant rendition of "In My Life". This FEA fundraiser would not be possible without countless parent volunteers, especially Eileen Nieset and Clare Delaney, the parent coordinators who worked with director Robin Brian. Thank you to everyone who made this event possible!

What is the FEA?

All St. Dominic parents are members of the Family Education Association, and all are encouraged to participate in the monthly meetings. The FEA was created to:

- Develop a united effort between faculty and parishioners in support of the school
- Raise funds for the benefit of the school
- Assist the school administration and support improvement in education

We Need You! Join The FEA Board

In the coming weeks, the FEA will be searching for volunteers and nominees to serve in various capacities on the board and as heads of several committees (for a list of those committees, see the table below).

If you have been looking for a way to get more involved with St. Dominic School, please think about volunteering your time and talent within the FEA. For more information, contact Marte Shepherd.
